It's almost like having your own private oasis! If being tucked away on a peacefully-quiet street appeals to you...If you are looking for a house nestled on a large, lush, green property...If having a retreat from the real world, yet being close to a quick New York City commute, schools, shopping and all the wonderful amenities the town of River Edge has to offer just happens to be your perfect match, then this might be the one you have been searching for. Wonderful space, great storage, plenty of bedrooms and a home office too! Multi-zone heat and central air. Meticulously maintained, naturally. There is still plenty of time to enjoy days outside in the yard before those nights inside, cozy by the fireplace.
